## MINISTRY OF LABOUR AND EMPLOYMENT

*New Delhi, the 6th November 1959*

**G.S.R. 1259.**—In exercise of the powers conferred by section 58 of the Mines Act, 1952 (35 of 1952), the Central Government hereby makes the following

amendment in the Mysore Gold Mines Rules, 1953, the same having been previously published as required by sub-section (1) of section 59 of the said Act, namely:—

In the said Rules, for sub-rule (2) of rule 1, the following sub-rule shall be substituted, namely:—

“(2) They shall apply only to gold mines in the State of Mysore as formed on the 1st November 1956 and shall apply to these mines in addition to the Mines Rules, 1955”.

[No. MI-1(107)/58.]”

*New Delhi, the 7th November 1959*

**G.S.R. 1251.**—In exercise of the powers conferred by clauses (d) and (w) of section 58 and section 83 of the Mines Act, 1952 (35 of 1952), the Central Government hereby makes the following rules the same having been published as required by sub-section (1) of section 59 of the said Act:—

**1. Short title.**—(1) These rules may be called the Mines Creche Rules, 1959.

(2) They extend to the whole of India except the State of Jammu and Kashmir.

**2. Definitions.**—In these rules unless the context otherwise requires,—

(a) “competent authority” means, in respect of coal mines, the Coal Mines Welfare Commissioner and in respect of other mines, the Chief Inspector of Mines, and includes any person authorised in writing in this behalf by the said Commissioner or Chief Inspector, as the case may be;

(b) “creche” means a room or rooms with ancillary accommodation reserved for the use of children, under six years of age, of women employed in a mine;

(c) “Medical Officer-in-charge” means a qualified medical practitioner employed, whether on a whole-time or part-time basis, by the owner of a mine to perform the duties assigned to such officer by these rules.

**3. Provision of creches.**—(1) The owner, agent or manager of every mine in which not less than 50 women workers are employed on any one day of the preceding twelve months hereinafter referred to as the said person shall, within such period as may be specified by the competent authority, construct thereat a creche in accordance with plans prepared in conformity with these rules and previously approved by the competent authority:

Provided that where the competent authority is of the opinion that the situation, nature and extent of the workings or other places where women are employed are such as to render compliance with the provisions of these rules not reasonably practicable, the competent authority may by order in writing exempt the said person from the provisions of these rules for such period as may be specified in the order:

Provided further that where an exemption is granted under this rule the competent authority may require, within such period as may be specified in the order, a suitable room or rooms with an attendant and necessary equipments to be provided and maintained at or near any working place or part of the mine.

(2) If in any case the competent authority is satisfied that by reason of a shortage of building material or of labour, the said person is unable to provide within the period specified under sub-rule (1) a creche in accordance with the specifications in these rules, he may approve of the erection of a temporary structure to be replaced by a permanent structure within such time as he may prescribe.

(3) If in any case the competent authority is satisfied that no inconvenience will be caused to the employees concerned, if a single creche is provided to serve neighbouring mines, he may authorise the owners, agents or managers of such mines to provide jointly a single creche and on such conditions as he may prescribe.

(4) On the production of a certificate from the Chief Inspector of Mines that the productive capacity of a mine will be exhausted within the next three years, the competent authority may on condition that the said person shall provide a temporary structure to serve the purpose of a creche and on such other conditions as the competent authority deems fit, grant exemption from the construction of a creche in accordance with these rules.

**4. Standards for creches.**—Every creche shall conform to the following standards:—

- (i) It shall be contained in one building, built of brick and mortar, adequately lighted and properly ventilated and affording effective protection from all kinds of weather; Provided that with the previous permission in writing of the competent authority, it may be built of any other material which the said authority may approve.
- (ii) It shall be constructed on a suitable site selected by the mine management with the previous approval of the competent authority.
- (iii) The flooring shall be of cement or stone and the ceiling shall not be less than 4 metres high from the floor.
- (iv) The interior walls shall be lime-washed once in six months and the wood-work shall be painted or varnished once every three years.
- (v) It shall be maintained in a clean and sanitary condition to the satisfaction of the inspecting staff.
- (vi) The latrines shall be maintained on a scale prescribed by the competent authority and in a sanitary condition to the satisfaction of the inspecting staff and the closed bath room shall be equipped with the either a sink or masonry tubs with an adequate quantity of water on a scale approved by the competent authority:

Provided that the competent authority may permit variations in the standards specified in clauses (ii), (iii) and (vi), having regard to local conditions.

**5. Amenities to be provided at Creches.**—

- (i) Medicines for first aid, and a number of cradles or beds, bed-sheets, linen, bedding, feeding bottles, utensils, toys and furniture for the use of children shall be maintained for each creche on a scale approved by the competent authority, provided that if the competent authority is satisfied that the said person is for good reasons unable to provide an adequate number of articles mentioned herein, he may condone the deficiencies.
- (ii) A supply of cool and wholesome drinking water shall be maintained for each creche on a scale approved by the competent authority.
- (iii) Milk, diet, soap and clean towels for children attending creches and clean clothes for the creche staff shall be supplied on a scale prescribed by the competent authority.

**6. Time when Creches shall be kept open.**—The creche shall remain open at all times, both by day and by night when women employees are working at the mine and it shall be properly lighted at night.

**7. Use of the creche.**—The use of creche shall be registered to children, their attendants, the supervisory staff and such other persons as may be related to or connected with children in the creche.

**8. Medical arrangements.**—(1) A medical examination of the children attending creche shall be made every month by a qualified medical practitioner and a record of such examinations shall be maintained in the form prescribed under sub-rule (1) of rule 10.

(2) At intervals prescribed by the competent authority, a medical examination of the nursing mothers attending the creche shall be made by a qualified medical practitioner, if possible, a woman and when the examination is conducted by a male doctor, it shall be made in the presence of the creche nurse.

(3) The Medical Officer in-charge of the mine if any, and the Welfare Officer, if any, shall be responsible for the general supervision of the creche.

**9. Provision of staff.**—(1) At every creche the said person shall appoint—

- (i) a full-time creche-in-charge who shall be a woman possessing such qualification and training as may be approved by the competent authority, and

(ii) inferior staff on a scale approved by the said authority.

(2) Where by reason of temporary absence, illness or any other similar cause, the full time creche-in-charge is unable to perform her duties, the said person shall authorise in writing any one whom he considers competent, to act in her place:

Provided that no such authorisation shall have effect for a period of more than 30 days except with the previous consent of the competent authority.

(3) The creche-in-charge shall ensure that the creche is kept in a clean and sanitary condition, that all the children attending it are properly looked after, washed and fed in accordance with the provision of these rules and that they and the nursing mothers are taught clean and healthy habits.

**10. Maintenance of records.**—(1) A register giving particulars of children attending a creche, including their dates of birth, and the record of their medical examination under rule 8, shall be maintained in the form prescribed by the competent authority.

(2) A register of complaints shall be maintained for inspection by the Medical Officer-in-charge and by the management of the colliery.

**11. Inspection of creches.**—The competent authority shall be responsible for the inspection of creches at mines.

**12. Repeal.**—The Mines Creche Rules, 1946, are hereby repealed except as regards things done or omitted to be done before such repeal.
